# CARBON OFFSETTING CERTIFICATE

## Geo Capital Gestora de Recursos LTDA

This certificate attests the offsetting of 30 tons of CO<sub>2</sub> equivalents of Verified Carbon Units generated by the **Rio Preto Jacundá REDD+ Project** certified by the Verified Carbon Standard to Voluntary offset of carbon emissions scope 1, 2 and 3 in 2023.

[www.terra.org](http://www.terra.org)

The retirement of these Verified Carbon Units, which are unique and non-transferable, belonging to **Geo Capital Gestora de Recursos LTDA**, was effected through the Verra Registry, and can be found through the serial number and public link:

**15178-660544896-660544925-VCS-VCU-261-VER-BR-14-1503-01102015-07082020-1**
